

# Paramedic Classes

## Paramedic National Registry Prep

This intense 4 hour workshop will help Paramedic students prepare for the National Registry computer-adaptive examination. Using an innovative evaluation process, students will be able to identify their personal strengths and weaknesses, and learn test preparation and test-taking strategies to improve their ability to pass the rigorous exam on the first attempt.

Participants are encouraged to bring a computer laptop to the workshop. Please download and install the latest version of the Firefox web browser, a free download at <http://www.mozilla.com/en-US/firefox/all>
